

## Our Communities of Northwest Stokes Foundation (OCF)

### Our Communities (OC) Founding Contributors "360" Campaign to support OCF

The 360° Campaign will recognize the first 360 donors as founding contributors and provide recognition through a work of commemorative / legacy community art.

Our Communities of NW Stokes (OC) volunteers will lead the campaign to secure the first two years of funding. Thereafter, on a rolling basis, OC will secure annual funding through a variety of ways. The Foundation (a nonprofit corporation) budget covers such basic items as insurance, office supplies, licensing / filing fees, outreach, printing, and professional fees when required. The Foundation's fiscal plan is to operate as a low overhead entity; keeping ahead of budget needs. No salaries are paid to board members, staff or volunteers.

The minimum contribution amount is \$25 per individual, family, or family member – you choose. You may also donate "in memory of" or "in honor of" someone special. You are welcome to contribute more. Please select your preferred custom commemorative plaque(s), plaque and patina codes (shown below) for the community art display.

**FOUNDING CONTRIBUTORS FORM** (Complete for each gift received....for accurate OCF documentation.)
